

Funshine Napping Agreement

Name of child: _____

I agree to allow my child to nap after lunch. I understand that my child will be napping in their classroom on a cot or a mat which will be disinfected after each use. I know I must provide a blanket which must be kept at the center and will be laundered every Friday. The center will provide a pillow, pillowcase and sheet which will be stored in a Ziploc bag along with the blanket and also laundered every Friday.

I understand that my child will be supervised by a staff member at all times.
